What, When & Where!

The Lindsay Band Boosters are having a fundraiser. They are selling chances to win two OU football tickets plus \$100 in cash or two OSU tickets plus \$100 in cash. The winners will be announced live on KBLP. To buy a chance contact Carla Taylor at 756-7127 or Marsha Hines at 756-8284 and leave a message or contact any band booster.

The Lindsay Round-Up Club will be having Open Playdays every other Saturday beginning September 13 at 6:30 p.m. This event is open for all ages and everyone is welcome. There will be 4 events each night. The cost is \$3 per event or \$10 for all 4. Jackpot nightly. Call club president Keith Hassler at 462-2240 for additional information.

Garvin County Retired Educators will meet September 22 in the Pauls Valley Library at 10:30 a.m. The program will be "Ag In The Classroom" by Jamey Allen, Oklahoma AITC Coordinator. Lunch will be served. All retired school educators are encouraged to become members. For more information call 405-665-2757.

The First Free Will Church of Sulphur will be hosting a free dinner in conjunction with a rodeo that will be a part of the church's annual "Fall Round-Up". Chad Ramer of the "Rockin R Rodeo Company" will be in charge of the rodeo which will include bull riding, barrel racing, calf roping, ranch bronc riding, and team roping. Jr. events will be sheep riding, barrel racing, and a calf scramble. Admission and food are FREE so make plans to be there at 3 p.m. September 25. To enter contact Chad at 580-618-2068.

REC Day will be held October 4 and in conjunction the Lindsay Chamber of Commerce invites merchants to host sidewalk sales and indoor bargains. They also encourage Lindsay residents to continue the tradition of hosting citywide garage sales. The Chamber of Commerce will advertise the event and publish a garage sale map. To be included on the map, please contact the Lindsay Chamber of Commerce at 405-756-4312 before October 1. They would also like to welcome Rural Electric members and thank the REC for their contribution to the community.

The Annual Bradley Reunion will be held Sunday, October 5, 2008 at the Lindsay Grade School cafeteria from 10 a.m. to 2 p.m. Special entertainment will be provided by the "Happy Rogers Trio". The noon meal will be catered, so anyone wishing to partake in the noon meal is requested to make reservations by calling Sharon Nye Russell at 918-429-9309. Purchase of the noon meal is not required to attend the reunion. The class of 1958 will be honored for their 50th anniversary.

Lindsay's Homecoming will be held Friday. Pictured above are (front l to r) Queen contestants Whytli Davis, Aubrey Parker, and Amelia Slay and (back l to r) King contestants Jordan Lukens, Jesi Millsap, and John Branch. Flower girl and crown bearer will be Kayla Marcum, daughter of Dwight and Sharla Marcum and Ty Ferguson son of Tommy and Amy Ferguson. The Leopards will play Pauls Valley.

Lindsay Leopards Defeat Blanchard Lions Homecoming Friday Against Pauls Valley

Lindsay used a balanced offensive attack and a punishing defense to thwart the Class 3A Blanchard Lions Friday night at Blanchard, 21-14.

Dakota Elledge started things off on the right foot for the Leopards as he intercepted a pass on Blanchard's first possession. The pick came on a third and 21 play as Kolby Webb exerted pressure on the Lion quarterback.

After exchanging possessions, the Leopards got rolling, with a 30 yard pass play from Tim Hamilton to Jordan Lukens to the Blanchard 34. That combination hooked up again as Lukens gathered in a 10 yard pass in the end zone for the first score of the game. The extra point was wide left, and with 5:41 remaining in the first quarter, the Leopards led, 6-0.

Mason Blake and Dakota Elledge came up with solid tackles on Blanchard's next series, forcing the Lions into a third and 11 from their own 31. Elledge came up with his second interception of the night, hauling in the pass on his own 28.

Hamilton and John Branch alternated carries, taking the ball to the Blanchard 40 before running out of downs. Elledge came up with a tremendous kick, punting the ball dead on the Blanchard seven yard line.

The next Blanchard drive stalled, and Lindsay took over on its own 46 as the first quarter ended. Branch carried the mail on the next series to the Blanchard 44 in two plays, then Hamilton found Jacob Harris streaking down the right side for a 31 yard pass completion to the Lion 14.

After moving the ball all the way to the one yard line, the Lions' defense stiffened, and the drive died on the Blanchard two

yard line on a bobbled snap on a field goal attempt.

Unable to move the football, Blanchard kicked the ball back to the Leopards, where Lukens fielded the ball in enemy territory on the 47. Blanchard picked off a Leopard pass on their own 30, only to see Elledge intercept his third pass of the night on the first play from scrimmage. The speedy defender raced into the end zone, only to see the touchdown called back because of a holding penalty.

Setting up on the Blanchard 25, the Leopards struck quickly, when on a third and 10, Lukens gathered in a pass with an acrobatic catch in the middle of the field, then somehow kept his balance, bear-crawling and bouncing to the six yard line. After a plunge into the middle by

Blake Cummings Running For House Seat In District 4

Blake Cummings - democratic candidate for US House of Representatives in District 4 will be in Lindsay on Saturday, September 20th for a Meet and Greet at the Ranch House restaurant. Before Blake arrives this weekend, I want to take this opportunity to introduce him to the Lindsay community. Born in Muskogee, Blake graduated from Kinta High School and attended the University of Oklahoma, where he received a Bachelor's of Business Administration degree in Petroleum Land Management. A registered Choctaw and lifelong Democrat, he has been active in the Oil and Gas Industry as a Land Consultant for most of his adult life, but has also worked as a government relations manager for

Miss Lindsay Pageants To Be Held November 17

The Miss Lindsay Scholarship Pageant and Miss Lindsay's Outstanding Teen Pageant will be held November 15, 2008 at 6 p.m. at the Lindsay High School Auditorium. The event is sponsored by the Lindsay Chamber of Commerce and Miss Lindsay Scholarship Pageant Committee.

Miss Lindsay serves as a goodwill ambassador for the Lindsay community, she represents the town of Lindsay at community functions and will represent the community in the Miss Oklahoma Pageant. She also serves as a mentor to her Oklahoma Star.

Miss Lindsay will receive a scholarship. The first and second runner-up will also win a scholarship and all the entrants will receive gifts and prizes.

The winner will be judged in

private interview, evening wear, talent, swim wear, and an on stage-question.

Contestants must be between 17 and 24, currently enrolled in school or home school, and at least a high school senior or graduated. Contestants must live in the 73052 zip code for at least six months prior to November, 2008 or must have graduated from Lindsay High School. All entries must be received by Monday, October 20, 2008.

Miss Lindsay's Outstanding Teen will be held in conjunction with the Miss Lindsay Pageant. The Miss Teen will serve as a goodwill ambassador for the Lindsay community, and will represent the town at community functions, and represent Lindsay in the Miss Oklahoma's Outstanding Teen Pageant.

The winner will receive a cash scholarship, an official crown, and the entry fee to the 2009 Miss Oklahoma's Outstanding Teen Pageant. All entrants receive gifts and prizes.

The winner will be judged in private interview, evening wear, talent, active wear, and an on-stage question.

Contestants must be age 13 by November, 2008, and no older than 17 by July, 2009. They must be enrolled in school and not completed more than junior year. They must live in the state of Oklahoma at least six months prior to November, 2008. All entries must be received by Monday, October 20, 2008, and there is an entry fee. Applications may be picked up at the Chamber of Commerce office.

Lonnie and Janetta Maples and their grandson Kolby.

Lindsay Resident In Need Of Double Lung Transplant

Janetta Maples and her husband Lonnie have recently relocated to Lindsay. They have a home in Commerce, OK, but now call Lindsay home. They are living with their daughter Amanda and her husband, Joe Nevilles.

Amanda opened her home to her parents so her mom could be close to her hospital in Dallas. Janetta had to be within three hours of the hospital. She is on a waiting list for a double lung transplant.

She was diagnosed in August 2000 with mycobacterium avium intracellular with lung abscesses.

The disease started with an infection in one lung, and then it moved into the second lung. Both her lungs are ruined. The doctors told her the disease is caused by birds or soil. They are unsure how she contracted the disease.

She was diagnosed in Enid and sent information to St. Louis, MO to get on a waiting list there. They were informed in April, 2008 that the St. Louis hospital didn't accept her insurance. She then went to Baylor Hospital in May, 2008 and underwent six days of tests and procedures.

She was officially placed on the transplant list August 7, 2008, on Amanda's birthday.

The Nevilles opened their home to their parents. They have three children and Joe has family in the Lindsay community. His grandparents are Lester and Helena Carter. Joe recently was discharged from the United States Military and received a job offer here. Knowing that her parents needed to be close to Dallas they relocated here.

Lonnie Maples is unable to work because he has to be able to be a caregiver for Janetta. She could be removed from the list if their is no one to care for her full time after the transplant. He is doing small jobs in the community.

The Maples are now looking for the quickest way to get to Dallas when she is notified of a lung transplant. A flight would be ideal, but they know no one with a small plane. Any help would be appreciated.

All prayers and financial help would also be greatly appreciated. The Maples do have insurance, but it only goes so far. They also have to pay for gas and lodging in Dallas when she is there. After the transplant they are looking at a 6 week to a year stay in Dallas. Their address is 914 W. Chickasaw and their phone number is 756-9764.

BRADLEY REUNION

The Bradley Reunion will be held on Sunday, October 5, in the Lindsay High School cafeteria. Although the annual reunion is nearly three weeks away, Bradley residents, former and present, are already looking forward to seeing old friends, updating information from past years, and telling wonderful Bradley stories from our past lives in that place long ago. Each year, our numbers shrink as time takes its toll, but those losses make the present even more precious. I hope this advance notice will encourage more to attend and perhaps will inform those who are not aware of our reunion. I hope our regulars will all attend and new ones will join us on October 5.

In addition to the Bradley Reunion on the first Sunday in October each year, the See Chapel School reunion is held the day before, on the first Saturday of October each year. Several of our people attend both reunions because some who attended See Chapel in grade school moved on to attend Bradley High School. Joy Riley, the president of the Bradley Reunion this year, was one who attended both schools. Some Lindsay residents married Bradley and See Chapel students, thus adding to our Bradley family. When we gather in October, we celebrate our ties that have survived over these many years.

Each year, our Bradley Reunion attracts former Bradley residents from distant places. We see friends from Pennsylvania, Kentucky, Arizona, California, Montana, Kansas, Texas, Virginia, and other states, who travel long distances to join us for our annual reunion. Many of these people subscribe to *The Lindsay News*. Perhaps this column can serve as a kind of special invitation to them to attend.

Almost every year, we have people who have never before

attended a Bradley Reunion. They are always thrilled to realize that they feel at home instantly. The years fall away as we renew old friendships and share our memories of the past. I have made a mental list of old friends I hope to see this year. I hope I am not disappointed.

On a sad note, each year as the program begins, the president reads an "In Memoriam" list of those Bradley residents who have left this earth in the past year. In a moment of silence, we pay our own personal tributes to those who were part of our past. Sometimes the names of our teachers appear on the list. Each year, some of the names are those of close friends and classmates, a reminder of our own mortality. But, in spite of the sadness, there

Cummings

(Continued from page 1)

Common ground with working women and men is the essence of why Mr. Cummings is running for Congress. Our democracy is founded upon the premise that government is to be "of the people, by the people, and for the people." Blake believes that this idea has begun to slip away from us. He wants to bring representation back to his fellow Americans. Blake is a hard working Oklahoman, and he has felt the same strains you have felt as the cost of the American dream has risen. For too long, hard working Americans have not shared common ground with their elected officials or the lobbyists that manipulate their decisions. If they had, we would not be in the infant stages of ending our obsession with and dependence on foreign oil. If hard working American families had been represented over the last eight years, our leaders would have invested in building the technology and infrastructure for alternative and renewable energy, the cars and trucks we drive to and from work everyday would be getting twice the gas mileage that we are getting now, and we wouldn't be facing the highest prices in history to heat and cool our homes and feed our families.

There are people who work hard everyday and are still one sickness away from financial disaster because they cannot afford healthcare. Our country's finest are returning from war to find

is an uplifting spirit as we say a silent prayer of thankfulness that we had the good fortune to know these old friends. Friendship transcends the boundaries of time and the chasms of death.

A personal highlight for me each year is the recognition of the veterans, especially the veterans of World War II. Those men were my boyhood heroes, the ones I most admired. We owe our eternal gratitude to those men from the Greatest Generation. I am currently gathering information about one of those heroes. I will soon finish a *Matchbook Memories* column about this highly decorated local hero.

The word "reunion" means "the act of reuniting." That is exactly what the Bradley Reunion does for all of us with ties to that place. For a day, we come back together to renew our relationships and to reminisce about the days of our youth. I look forward to that special day each year.

E-mail Jerry Nye at jerryneje@aol.com or write to 1438 Pine, Weatherford, OK 73096.

that their mental and physical healthcare needs are not being met. Patriotic mothers and fathers are grappling with grief over fallen soldiers while wondering why the current administration sent their sons and daughters into a war based on lies. There are hard working Americans that are one paycheck away from living on the streets because their wages have remained stagnant and the cost of living has skyrocketed. They worry about retirement because their pensions have been squandered and there are those in Washington who are willing to gamble with their social security. They are losing hope of ever being able to send their children to college because tuitions continue to rise and college aid continues to dwindle. For eight years, members of Congress, including District 4 incumbent Tom Cole, have only paid lip service to these issues that are at the heart of our concern. As your Congressman, Blake will give these and many other pressing issues the diligent attention they deserve.

Please join us for the Meet and Greet this Saturday from 11 a.m. - 2 p.m. Don't miss this opportunity to talk with Blake face to face and pick up some campaign materials to share with your friends and neighbors. The Ranch House is located at 602. W. Cherokee. A lunch buffet will be available for \$7.95. Donations are not required, but are graciously accepted. For more information, contact assistant campaign manager, Samantha Zinn, at 405-245-6992.

Ian Michael Davis

Desty Deon and Glenn Bryant Davis are proud to announce the birth of their son Ian Michael Davis. Ian was born August 9, 2008 at Southwest Medical Center with Dr. Brown as acting physician. He weighed 9 pounds and 3 ounces and was 19 inches long.

Maternal grandparents are Dale and Carol Jones of Lindsay.

Maternal great-grandparents are Frank and Phyllis Gardner of Wynnewood and the late Leon and Vera Jones of Lindsay.

Paternal grandparents are Scott and Carol Davis of Oklahoma City. Paternal great-grandparents are Faye Davis and the late Glenn Davis of Tulsa and Ann Behrens and the late Lew Behrens of Oklahoma City.

Society

Starlighters OHCE Meets

Upon arrival of seven members of the Starlighters Home and Community Education group refreshments were served and visiting took place, Monday night, September 8, in the home of Dorothy Branch. When the meeting was called to order by the president, Debbie Whitehead, roll call was answered to question, Do you buy more USA made products over buying other brands?

Barbara Jones led the flag salute, Mary Lane, the collect, and Debbie Whitehead, the song, "Dear Hearts and Gentle People".

During the business session, the fall county council meeting was discussed. Starlighters is hosting since this is an election year, the theme will be red, white, and blue. All members will be encouraged to vote November 7, registering, if necessary, to exercise the privilege.

Dorothy Branch read a humorous story of a woman's trip to a public restroom as shared with her by Julia Murray. Also shared for those who speed on the highway, a few hymns from the Oklahoma Highway Patrol:

45 mph . . . God Will Take Care of You.

55 mph . . . Guide Me, O Thou Great Jehovah.

65 mph . . . Nearer My God To Thee.

75 mph . . . Nearer Still Nearer.

85 mph . . . This World Is Not My Home.

95 mph . . . Lord, I'm Coming Home.

Over 100 . . . Precious Memories.

Members discussed paing dues for the new year. Dorothy Branch shared a list of products giving the country in which they were made. Although many products are imported to America, it is very important to read labels before a purchase is made for ones own safety and also to buy as many USA made to help our economy.

The door prize was drawn by Sandra Ellithorp. Members present were Barbara Jones, Debbie Whiehead, Mary Lane, Leota McCoy, Shirley Wilkins, Sandra Ellithorp, and the hostess, Dorothy Branch. The next meeting will be October 13 with Leota McCoy as hostess. Anyone interested in the group is encouraged to contact a member.

Finlee Werner Turns One

Finlee Nanette Werner

Finlee Nanette Werner celebrated her first birthday Sunday, August 31 with a party in her home. The theme was flowers and monkeys.

Those joining in the fun were her mom and dad, Cristen and Luke; big sister Pippa; great grandma "Nana", Doris Elmore; grandma "Nana" Ann Werner; grandma "Nonnie" and grandpa "Poppie",

Vicki and Steve Wescott; Aunt Stacey Elmore and Uncle Chris Knight; Aunt Shana and Zoylie Stephens; Joy,, Britt, and Skylar George; Brad, Brandy, Haley, and Colten Taylor; Colten Johnson; Cassie and Kennedy Douglas with Kylie and Brylee, and Chad Goad.

Finlee and her family thank everyone for helping to make this first birthday fun and special!

Erin Springs OHCE Meets

The Erin Springs OHCE group met Tuesday, September 9 in the home of Sue Duncan. President Allene Lindsey called the meeting to order at 1:30 p.m. and asked Sue to lead in singing "Dear Hearts and Gentle People".

The Pledge of Allegiance was led by Oleda Flud and Sally Scott led the group in repeating the collect for club women.

Sue Duncan gave a devotional using the poem, "To A Friend" by Frances McKinnon Morton.

Roll call response was to the question, "Do You Buy More USA Made Products, Over Buying Other Brands?"

Answering roll call were: Sue Duncan, Oleda Flud, Allene

Lindsey, Julia Murray, Sally Scott, Erna Tannehill, and Audra Dennis.

Allene read the thought for the day, and Julia Murray read the tips and bits.

Erna Tannehill gave the Erin Springs cemetery repot and Sue Duncan gave the cook book account activities.

Sally Scott reminded us the birthday celebration at Lindsay Manor for the month of September will be Wednesday, the 24, and the club is scheduled to be hostess.

The meeting was adjourned and Sue Duncan served a variety of goodies.

The next meeting will be in the home of Becky Fentem.

Beatrice Hill and Mildred Toby recently celebrated their birthdays at Lindsay Place Apartment's birthday celebration. Beatrice's birthday was September 22 and Mildred's was September 4.

Tales From Turkey

By: Amber Minson

It really feels like I've had a very busy week, but I honestly don't remember doing very much. We didn't make any trips off base other than to eat and to the market. I guess we've just had a quite a bit going on right here on base.

Sam and I have started going to a playgroup here on base every Tuesday morning. There are usually 15-20 kids and moms. They have playgroup in a gymnasium at the youth center; lots of room for the kiddos to run around and play. There are boxes and boxes of toys for all ages, also there are basketballs, and soccer balls, and tumbling mats to play with. Sam really seems to enjoy himself. His favorite thing is to chase all the older kids around. He thinks he's a big kid. I also really enjoy the time spent in adult company.

Also this last week I've started going to the gym to workout three nights a week with my good friend and neighbor. We wait until we get our children and husbands in bed, usually around 9pm, then we go together to the gym for about an hour or so. It's something I've needed to do for a very long time, but just didn't do. Now, I have someone to go with which makes it more fun and makes the time go by quicker.

I don't know if I've ever mentioned the random power outages that happen all the time here. Because of the heat and

the cost, the electricity here goes off a lot. In fact, Friday, the power went off in our housing area at 9am and didn't come back on until around 2:30pm. Luckily, it is beginning to get cooler here so our house didn't get too hot. Sam and I were stuck here without any power, no car, and since all of our telephones are cordless, we didn't have a phone either. Our neighbor came by shortly after the power went out and we went with her and her daughter to the BX where it was nice and cool. The power outages are definitely inconvenient, but they are something we've just got to learn to deal with here.

Our weekend was a pretty slow one. We had a birthday party Saturday that we went to. Then, Saturday night, like most weekends, we spent with our good friends/neighbors. We grilled hamburgers and hotdogs and played pinochle until we were all so tired we couldn't stop laughing. Sunday, we went to the market, like we usually do. But other than that we had a pretty lazy weekend.

I hope everyone has had a wonderful week thus far and that it continues on through your weekend! Thank you for reading and until next time, God bless.

Tall Tales

by Doyle Greteman

Superintendent, Lindsay Schools

You may have heard of legislation passed recently with the acronym "A.C.E." This stands for "Achieving Classroom Excellence."

This legislation calls for more high stakes testing for students, particularly called "End-of-Instruction" tests.

Beginning with this year's freshman class, students must pass end-of-instruction tests in Algebra I and English II, as well as two more from the following: Biology, U.S. History, Algebra II, English II, and Geometry.

As soon as a student passes one of the tests, a label will be placed on his or her transcript indicating successful completion of this component.

The legislation states, "Beginning with students entering the ninth grade in 2008-2009, every student shall demonstrate mastery of the state academic content standards in the following subject areas in order to graduate from a public high school with a standard diploma."

So what happens if a student continually re-tests and is not able to pass the tests? Can they still graduate? Well, here's what we know at this point: Students who do not attain at least a satisfactory score on any end-of-instruction test shall be provided remediation and the opportunity to retake the test until at least a satisfactory score is attained on the tests of Algebra I, English II, and two

of the other tests required or an approved alternative test.

The regulations go on to say that, "Students who do not meet the requirements of testing may graduate from a public high school with a standard diploma by demonstrating mastery of state academic content standards by alternative methods as approved by the State Board of Education."

Although this high stakes testing actually starts with this year's freshmen in regard to diploma status, our upperclassmen have actually been taking these end-of-instruction tests since 2004. Algebra II, Geometry, and English III have recently been added to the original four.

Although we don't make a habit of talking about our student test scores, because we feel that testing is only one indicator of student success, we do feel it is important from time to time to let our patrons know how our students are comparing to students around the state.

Results of last year's end-of-instruction tests are as follows: Algebra I: Lindsay 82% passing, state average 76%. English II: Lindsay 79% passing, state average 74%. Biology I: Lindsay 62% passing, state average 54%. U.S. History: Lindsay 85% passing, state average 63%. Algebra II: Lindsay 60% passing, state average 53%. Geometry: Lindsay 91% passing, state average 68%. English III: Lindsay 92% passing,

state average 75%.

There is still much work to do as we work our way through this process. During the next few years, the State Board of Education will be analyzing these scores and working to provide some type of method to determine mastery of these state academic content standards by alternative methods for those students who simply cannot pass the tests.

The A.C.E. legislation is still untested in regard to future challenges concerning the awarding of a regular diploma. It has, however, given hope to those who feel that a high

school diploma should be more meaningful in regard to academic accomplishment.

Even though this high stakes testing is now a part of our law, I still personally feel that a student who can master the social skills needed to complete a high school education, and who does his or her very best, deserves some kind of positive recognition. There's more to determining future success than a score on a piece of paper. Any student who gives his or her best effort and learns how to get along with others has gained some valuable attributes that will carry them far in this life.

Football

(Continued from page 1)

four consecutive times, advancing the ball from his own 29 to the 45 before Hamilton found A.J. DePhillips with a first down pass to the Blanchard 44.

The Leopards were able to move the ball all the way to the 10 yard line before the drive stalled.

On Blanchard's first series of the third quarter, Ben Garner, John Pinnick, and Milligan all made big tackles, along with a fierce hit by John Holliman on the quarterback. The Lions moved the ball to the Lindsay 21, however, where they set up with a first and 10.

It was here that the Leopards came up with a stellar defensive stand, with Garner sacking the quarterback for a three yard loss, and Pinnick doing the same on a keeper around the right side for a loss of six. On third and 19, Holliman again put a convincing hit on the quarterback, forcing an incomplete pass. The Leopard defense held on fourth down, forcing another incomplete pass, and took over on their own 28.

After a couple of completions and one penalty, Branch blasted through the right side for a 37 yard gain to the Lion 25. The third quarter ended with Lindsay on the Lion 23, clinging to a 14-7 lead.

As the game moved into the fourth quarter, the Leopards found themselves facing a fourth and three from the Blanchard 19. It was here that the savvy Lukens demonstrated his outstanding athleticism, catching the gritty Hamilton's pass with his tiptoes just inside the out-of-bounds stripe and hanging on to the football, going out of bounds on the seven.

It just took one play from here, as Branch twisted and turned, breaking a tackle and finding the end zone. With 10:34 remaining in the contest, the Leopards led, 21-7.

Blanchard was stymied on its next drive, with Milligan making a hard hit, Pinnick pressuring the quarterback on second down, and Holliman striking again on third and 13. Holliman's punishing hit forced an errant throw, contributing to another interception, as the ever-present Harris gathered in the ball on the Blanchard 35.

Aided by an offensive pass interference penalty, the Lions stopped the Leopards, and received the ball on their own 35. Here Webb and Jessi Millsap combined on a

good stop, before Blanchard posted a first down, aided by a 15 yard facemask penalty on the Leopards.

After Blanchard moved to the Lindsay 38, Millsap planted quarterback Bryce Rusler for no gain, but on a third and three, Rusler rushed to the Leopard 17 for a first down.

Although Graham and Webb combined on successive plays to force the Lions into a third and 13, Blanchard was able to push the ball into the end zone behind the legs of Rusler. With 4:59 remaining in the contest, the Lions had crawled within a touchdown, 21-14.

For the second consecutive week, the Leopards needed a clutch performance late in the fourth quarter. Having to run almost five minutes off the clock to seal the victory, they came up with some late-game heroics once again. Starting on their own 26, Milligan rushed twice to give the Leopards a first down on their own 43. On a third and 10, the cool-headed Hamilton found the sure-handed Dakota Elledge across the middle for a first down to the Blanchard 45.

Branch carried twice to eat away some more of the clock, but Lindsay faced a third and nine with 1:30 remaining in the contest. The Lindsay offensive line, just as they had done all night long, gave Hamilton the protection he needed, as the cool-headed senior found a leaping Elledge across the middle of the field for a huge 17 yard gain, giving the Leopards a first down on the Blanchard 28.

With no time outs remaining, Blanchard could only watch as Hamilton took a knee, then another, to run out the clock and put another big victory on the books for the locals.

Head Coach Tommy Ferguson was pleased with the overall performance of the Leopards. "I felt we gave better effort this week than we did last week," the head coach of the 2-0 Leopards related.

Things don't get any easier this week for the Leopards, as they host the Pauls Valley Panthers. Although the Class 3A Panthers are 0 and 2, both losses have come to ranked 3A opponents, Newcastle and Sulphur, in close contests.

"They have lots of speed, and are very well-coached. Kevin Foster and his staff do a really good job over there," Ferguson concluded.

Leopard News

By: Paige Howell

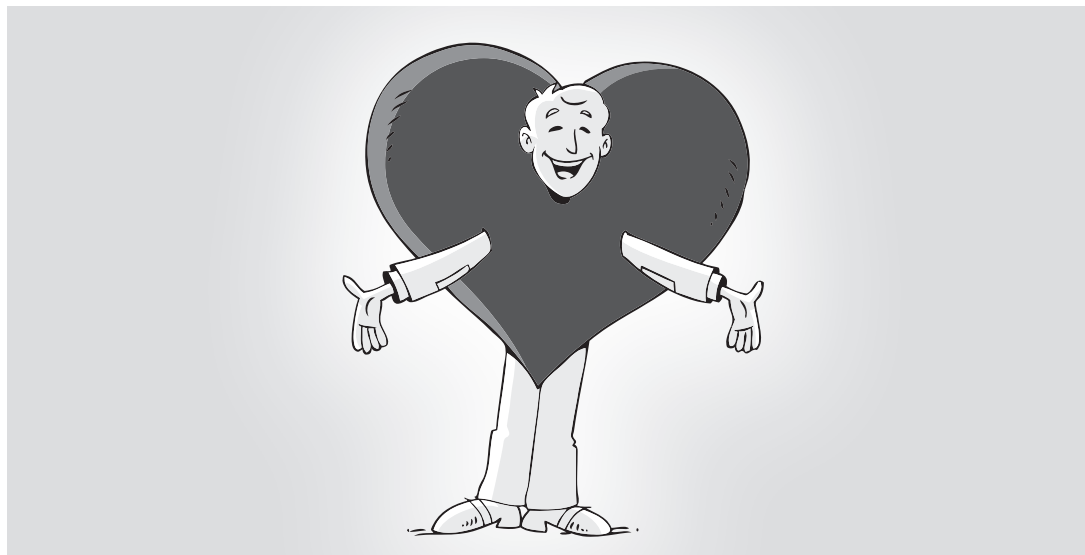

Thursday is a very busy day. The Speech II/Drama class will be going to Lawton on a field trip. The academic team will be traveling to Washington for an academic meet, and high school fast pitch will be on their way to Tuttle. Junior high football will be playing at home that evening.

Friday will be a fun filled evening. The Leopards will be hosting Pauls Valley for the homecoming game. On that note, I would like to congratulate Whytli Davis, Aubrey Parker, and Amelia Slay for being elected this year's queen candidates, I am sure you will all look beautiful in your dresses. Also, congratulations to the King candidates; John Branch, Jordan Lukens, and Jessi Millsap; I am sure you guys will look "lovely" in your uniforms as well. The homecoming ceremony will take place before the game at 7 p.m. Good luck to the candidates! After the game, student council will be hosting a homecoming dance for the high school, which will be very exciting.

On Saturday, cross country will be hosting the Lindsay Invitational meet. The first race starts at 9 a.m. On Monday, the seniors will be taking a field trip to the Vo-Tech Career Day. High school fast pitch will be traveling to Wayne, and JV football will be going to Pauls Valley. On Tuesday, high school fast pitch will be traveling to Purcell. Good Luck to all! Have a great week!!!

Go Lindsay Beat Pauls Valley!

Show me some love.

Most hearts could use a little TLC. Pamper yours with a heart scan from Norman Regional. Our \$100 heart scan measures the amount of calcium in your coronary arteries - a risk indicator of heart disease when linked with other factors.

Since more than 50 percent of heart attacks come with no advanced warning, early diagnosis is essential. Heart scans are now available at three locations: The HealthPlex, Moore Medical Center and Norman Regional PET/CT Center.

Alex Homecoming Held

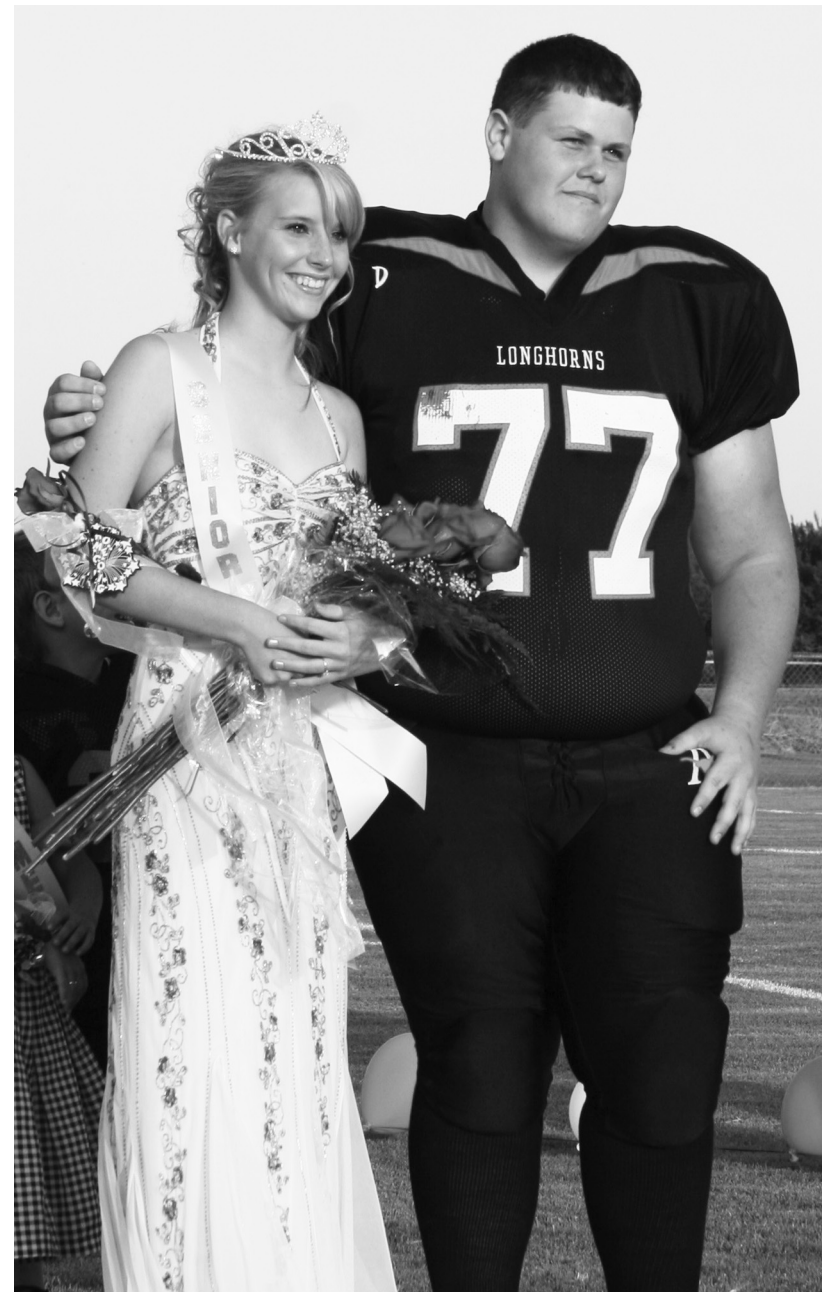

The season opener was also Alex Junior High and High School's 54th Homecoming. Alex began playing football in 1922 and played until 1937 when WW 2 intervened. The tradition began again in 1947. The first homecoming that can be documented was in 1949 and featured Bob McElroy as the king and Virginia "Beanie" Ingenthron Stidham as the Queen. The flower girl was Loretta Burton and Dale Brennan was the crown bearer.

This years homecoming 7th grade attendants were Cherokee Sanders and Jackson Mainka. Representing the 8th grade was Annie Davenport and Dakota Savage. The Freshman Homecoming Prince and Princess Candidates were Bethany Woods, Carli Dean, Braden Hines and Dakota Vernon. The Prince selected by his fellow junior high students was Braden Hines and

his Princess was Carli Dean. The Junior High mascots were Callyn Carnes and Riley Bailey.

In the High school homecoming court the sophomore attendants were Morgan Ledford and Trey Anderson. Representing the junior class were Erica Mainka and Cash Bray. The King and Queen senior candidates were Kylie Ramsey, Kristin Brown, Jason Phillips, and Tra Ketchum. The king was Jason Phillips and the Queen was Kristin Brown. The high school mascots were Olivia Ketchum and Chaz Alcorn.

Alex presented a new organization, The Longhorn Stampede. The stampedes motto is get loud or leave. The group will be supported by the Longhorn Mascot, and numerous spirit runners. Come check the group out at one of the games, or just stand at the outskirts of town. You will be able to hear us!

Alex Homecoming Queen and King were Kristin Brown and Jason Phillips.

Alex Welcomes Four New Exchange Students

By Amy Woods

Alex would like to welcome four new students this year. Mariana Assis from Brazil, Valerie Duong from Vietnam, Daniela Berroteran from Venezuela, and Jenna Painarin from Thailand.

Oi! Mariana has a half sister, a half brother, a step sister, and a step brother.

Mariana wanted to be a foreign exchange student to become familiar with a different culture and to improve her English. Mariana also thought that being a foreign exchange student would allow her to become more responsible and that it would be a wonderful experience. Mariana is a junior. When asked what the biggest differences were between life here and life in Brazil she said "everything is so different, but the biggest difference would be that here people use vehicles to go and do everything".

Mariana enjoys running, reading, table tennis, and drawing. Mariana is enjoying her time in the United States very much. Mariana's host family is Brent and Alisha Teal of Blanchard.

Xin Chao! Valerie Duong is a junior. She has one brother. Her mother is an officer at a university and her father is journalist.

Valerie wanted to be a foreign exchange student because she wanted to approach the modern and logical workings of America. The biggest difference in the United States to Valerie is the food. "We eat rice with everything". Valerie says the U.S. is much noisier, busier, and more crowded than Vietnam.

Valerie enjoys reading, surfing the web, swimming, camping, listening to music, and hanging out with her friends as well as going shopping. Valerie's

impression of the U.S. so far is that it is a wonderful place. Valerie's host family is Rachel Morris of Bradley.

Hola! Daniela Berroteran is a senior. She has one sister. Her mother is a teacher and her father is a musician.

Daniela wanted to be a foreign exchange student so that she could experience something very different and to see how different school would be. Daniela said "the biggest difference here is the school materials, such as here math classes separate but in Venezuela it's all together. Geometry and Algebra is together and it just gets harder each year".

Daniela enjoys shopping, going to the beach, sleeping, and art. Daniela likes the U.S. very much and thinks the people here are very nice. Daniela's host family is David and Misty Parr of Alex.

Sanatdeka! Jenna Painarin is a junior. She has two brothers. Her parents own a rice store in Thailand.

Jenna wanted to be a foreign exchange student because she wanted to experience a new culture. Jenna said the biggest difference to her was the culture. "the culture here is very different than in Thailand."

Jenna likes to listen to music and watch T.V. Jenna is enjoying the United States. She loves everything about it. Jenna's host family is Tracy and Shannon Goyne of Alex.

All the girls are very excited to be here and are excited to experience even more new things. All of the girls are adjusting to a small school and are enjoying it very much so far! They are looking forward to a wonderful year in a new and different place.

The junior high Prince and Princess were Braden Hines and Carli Dean.

Alex H.S. Officers/Advisor at Ice Cream Social (bottom left to right) Jessie Goyne, Hanna Crow, Shelby Cossey, Britt Hooper, Kristin Brown, Cassidy Reid. (top left to right) Mrs. Bunch, Mattie Hiten, Lashonda Gregory.

Alex FCCLA News

Starting the year off with a bang the Alex Family Career & Community Leaders of America Chapter went to work. The 08-09 Officers were involved in trust building events on their annual retreat to the UCO College Campus ropes course in Edmond, OK. They participated in a series of strategic team building games and really learned how to achieve their goals working together. To gain members the chapter held the annual Ice Cream Social. This provided a time for students to get to know Alex FCCLA members and see what the organization is all about while enjoying the amazing ice cream sundaes provided by the officer team and many parents and sponsors! The FCCLA State community outreach project will

continue to be Feed the Children this year. Alex as well as 26 other local FCCLA chapters will be attending the SW District II Leadership Conference on September 23 at the Chickasha auditorium. The District FCCLA community outreach project will be providing homeless care packages for The LINK (Linking Students in Transition of Educational Services). Each chapter is in charge of bringing certain items to contribute to the care packages. If you are interested in donating to the LINK project or Feed the Children, please contact Lindsey Bunch, Alex FCCLA Advisor, (405)785-2264. This year Alex FCCLA will have approximately 70 members, and the numbers are still climbing!!!

Turn off the highway and let's go down the Wallville Road. The Pony Express races across the prairie, the forerunner of today's mail service. So, became the everyday life of Irene "Big Sis White" McClish. From poor, humble beginning thru the johnny patch the cotton patch, and the pecan bottom, thru the Hughes School years. Climbing her way to the top from obscurity to a big time with the United States government. In 1981 she began her position working as the Wallville Country mail carrier of Route 4. Now, in her own words, here story continues.

I never was a person who liked to work inside. Maybe that's why I came to like my job, it was one of a kind. You meet a lot of people on the Route, some you have known for years, some are new to the road. Often you become a lifeline for the elderly. If mail starts to pile up you call to see if they are okay. I had a lady fall during a huge snow storm, I called daily and couldn't reach her. I had a friend check on her, she had fallen and broken a hip. She may have died if I hadn't called. Many of them have no family. I have seen a lot of things and changes since riding the Route, down the Wallville Road.

Here we go again. Legend of the Fall #824. Greetings from Wallville, OK, the home of Albert, Tiny, and E.J. Fox. Not your ordinary small ghost town.

The Oklahoma State Fair is in full swing. It runs for 10 days, September 11 through the 21. Be sure and stop by the Wallville display at the fair building. Too late.

The Wallville Veteran's Committee salutes U.S. Army Soldier, 1959-61, PFC Haskell Harvey. Stationed in Germany, 75th Artillery 2nd Howzer Battalion, worked as a Surveyor.

Jerry "Jakey Boy" Work, son of Lige Work and Jonnie Ann McCaleb fell and broke his arm. He's due for surgery soon. Our OKC reporter Leah Work reports in.

Birthdays for another year, Stan Hunt, Cindy Spears on the 19, Cassare Mayhan on the 18, Jimmy Teel on the 20, Robert Madman Burkes on the 21, Tammy Waite and Andrew Perry the 22, Terry White on the 23, Megan Clark and Kim Davis and Trace Adams share the 24, and less we forget Colton Hines on the 20.

Hats off to school bus driver Stanley Hunt starting his 26 year behind the wheel. School's in business. Drive carefully.

Winner of the roses, David and Ruth Kizer, 56 years of spooning and happy honeymooning this September 20. Congratulations.

Happy anniversary Jerry and Theda Cudd, 48 years of glory this September 24 and many more, living on the Hughes Road.

Many happy returns of the day. Happy anniversary 44 this September 28 to Warren and Robbie Ward. Hughes alumni.

Happy anniversary #41 to Preston and Lynda Keck this September 23. May there be many bright days ahead.

29 years of traveling together is the story of Dean and Diane Perry. This September 21, married in the U.S.A.

Happy anniversary #13 to Jason and Kelly Brown this September 22. New home builders in Hughes town.

Direct from the pages of old Al's Almanac, September 19, would have been the 66th anniversary of Troy and Stella Quinn. Cletis Quinn's brother.

Catch the old mail rider with your news written to RR 3 Box 222-A, Pauls Valley, OK 73075 or call 405-207-3268. Beat the holiday rush.

A group of REC men spearheaded by Wallville legend Alton "Fuzzy" Brown has recently returned from New Roads, LA, restoring electricity to homes after a recent hurricane and your neighbor is REC.

The Wallville welcome wagon rolls out to welcome Aaron Grooms and followers soon to be moving into the

Bud Kay estates down by Rush Creek. Welcome to the neighborhood.

In conclusion, we wish to say this is be kind to "Bryan Cudd" week. A recent victim of idenity theft. In which we played a big part. Our many apologies.

This week's column has been sponsored by the Rural Electric Cooperative. Alton Brown, spokesman.

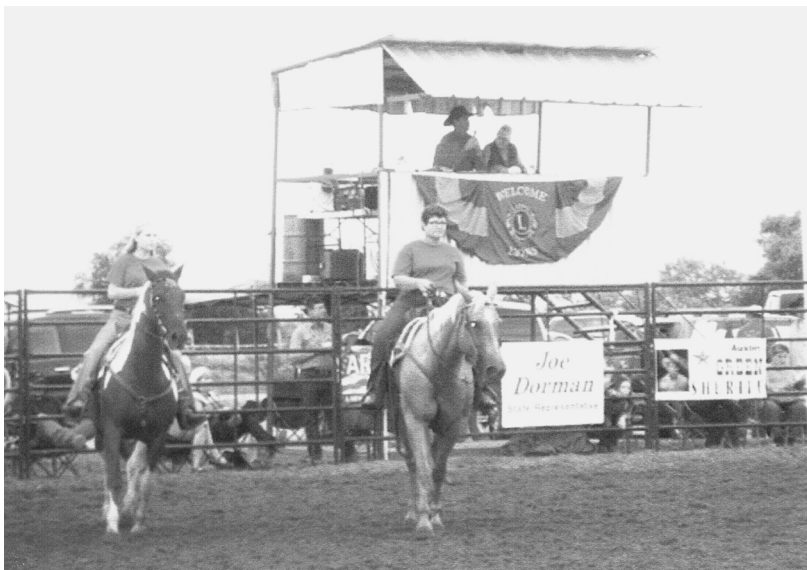

The continuing saga of a rural mail carrier.

I have seen large families as the children leave one by one. They start with a large garden and as the years pass the garden gets smaller and smaller. It's sad, it's like putting your parents in a nursing home or moving to live with their children and having to leave the past behind. I have seen a lot of things on the backroads of Garvin County. I have been dog bit-emu bit, and mailboxes with every kind of animal put in them. Rubber snakes, mice, cats, halloween pranks. But, I wouldn't trade it for anything. The post office has allowed me to have a good job and not move far from where I was raised. I remember wanting to turn 18 and leave and find my pot of gold. I asked a friend one time what happened. Her reply was we didn't know what we had. Now, I've seen a lot on these roads, but nothing compares with the tale of the moonshiner and the mailman coming up next week down the Wallville Road.

LINDSAY ROUND-UP CLUB NEWS

Members of the Lindsay Round-Up Club participated in the Rush Springs rodeo parade. They brought home \$100 prize money for the Club.

Members attending were Una and Ashley Johnson, Lee and Glenna McCracken, Courtney McCracken, Hody and Wayne Estes.

Una and Ashley Johnson assisted Walters Round-Up club with the pivots druing the grand entry at their rodeo.

DEATH NOTICE

James Thomas Caldwell, 63, of Lindsay, OK died September 15, 2008. His services will be September 18, 2008 at Calvary Baptist Church in Lindsay.

Garvin County Commisioners Proceedings

The Board of Garvin County Commissioners met on the above date with Chairman Kenneth Holden, Members Johnny Mann and Shon Richardson present. County Clerk Gina Mann also present.

Commissioner Mann moved Commissioner Richardson seconded to approve the minutes of the previous meeting. Motion carried. Mann, Richardson and Holden voted yes.

The Board does hereby dispose of the following equipment:

2 Ton Truck, Equip.#D253-302-048-----Junked

The Board approved the Loyalty Oath of Katie Harmon and Jason Mullett employee's of the Garvin County Sheriff's Department.

The Board approved the monthly reports of the Garvin County Health Department, County Clerk Gina Mann and Court Clerk Kay Brewer for the month of August.

Carl Stevens met with the Board to voice his concerns regarding the 911 meetings. Mr. Stevens didn't know if they were properly posting their meetings, could not hear what was being said at the meetings, and did not present a complete financial report. 911 Chairman David Johnson was also present and commented they would try to do a better job about addressing the public.

The Board thanked Mr. Stevens for his concerns.

Commissioner Mann moved Commissioner Richardson seconded to adjourn into Executive Session to discuss 911 property purchase with District Attorney George Burnett and 911 Coordinator Dianne Williams and David Johnson also present. Motion carried. Holden, Richardson and Mann voted yes.

Commissioner Mann moved Commissioner Holden to recess from Executive Session. Motion carried. Holden, Richardson and Mann voted yes.

No action was taken regarding letter from First National Bank, Hutchinson KS.

No action was taken regarding flag pole repairs.

No action was taken regarding executive session.

Architect Larry Blackledge met with the Board regarding courthouse projects.

The Board approved the following claims:
